This week at Horizon . . .

Horizon is fortunate to have the **Stay Alive AZ** program return for this school year. This is our second time having the full program. The last 2 years, we've had **SAFE** (Stay Alive Freshman Experience) to be sure our incoming Freshman had the same advantage. This Wednesday evening, **September 9th**, parents can attend a special preview and introduction of the program. The parent orientation is from **6:00- 7:00 PM** in the auditorium. For more details on the entire program and the schedule of events, read Dr. Courson's letter on the Horizon website:

A little ways down it says "search" and then "state by state". After that you can select Arizona and then find our school.

Family Athletic Passes: The athletic department will be processing the passes by the end of this week. There will be a list at all home games this week with the names of those who have passes. If you have any questions, please contact Jackie Minter in the Athletic Department.
