Sexting/Cellphone Presentation - SMHS

If you missed the presentation at Horizon this past Monday evening, they you might not know what a HUGE success it was - *standing room only!* This is a hot topic in our community. You have another chance to learn about this subject if you attend **Shadow Mountain's** similar program this Tuesday, Jan. 19 at 6:40 PM.

STAY ALIVE

The next Stay Alive presentation to the students will be on January 20th. The topic is

Legal Ramifications, presented by Bustamante & Kuffner. Students will learn about the laws in our state related to being caught under the influence. *Additional note* - this program will be prerecorded and available for parent or student viewing on the Horizon website up to one week following the event. <http://www.livestream.com/pvusdhorizon> In addition, we encourage parents of seniors with early dismissal to have them stay for the full program and not call them in to be released. As we approach graduation, these lessons will be tremendous reminders for them to stay safe.

Baseball Chick-fil-a Fundraiser Family Night

Horizon baseball boosters club is having a fundraiser on **January 21** from **5-7pm** at the **Tatum & Cactus location**. *Only walk ins* count (no drive thru). Please come out and support our baseball program!

8th GRADE PARENT NIGHT

A parent night (for both parents and students) is planned for Monday, **January 25th** for all in-coming freshmen. The program will be from **6:30-7:45 p.m.** in the auditorium. This evening will provide information about academics, electives, athletics, and registration information. Please share this will all friends that currently have 8th graders.

PARENT/TEACHER CONFERENCES
