From Northwestern University's NUSports.com comes news that 2006 Horizon High School graduate Stefan Demos has been named one of 20 semifinalists nationwide for the 2009 Lou Groza Collegiate Place-Kicker Award.

Demos handles all three phases of NU's kicking game and is having an outstanding season with an 87.5% field goal completion rate and 23-of-24 point-after-touchdown kicks.

Finalists for the Lou Groza Award will be determined in a vote by all Division 1 head coaches and SIDs, national, regional, and local football writers, and others. The winner will be announced on the evening of December 10 on the nationally televised Home Depot ESPNU College Football Awards Show.
