FOR IMMEDIATE RELEASE

Horizon High School Presents *Prom: Keeping It Real*, a Program for Parents

Horizon High School in conjunction with PAWS PTO will host *Prom: Keeping It Real*, a program for parents, on Wednesday, March 24. Parents are invited to hear presentations from Dr. Dan Courson, Horizon High School Principal, and Neil Gatten, Director Youth Ministry at La Casa de Cristo. The presentations will be made at a Fathers' Breakfast from 7:45 to 9:00 a.m. and at a Mothers' Lunch from 12:00 to 1:15 p.m. at Horizon High School, 5601 E. Greenway Road, Scottsdale, in the J building, room 101.

Prom is an exciting time for teenagers, and parents will have many opportunities to share in the excitement and anticipation. Families will be encouraged to discuss safety issues such as drinking, driving, sex, and after-prom parties.

A discussion period will follow the presentations for parents to ask questions of the presenters and share ideas with other parents.

Join us and learn how to help your teenager create a plan for a safe and memorable prom night.

RSVP by Friday, March 19 to Linda Murchison at lmurchison@pvschools.net or 602-449-6000. Space is limited to 100 attendees per session.
